A vanpool out of Riverton Park and Ride (free parking) at I-66, Exit 6 (Front Royal) and Route 522/340.

In the morning, we travel I-66 East to Constitution Avenue in DC. We drop off at 15th and Penn, 12th and Penn and 7th and Maryland Avenue, with the final stop at DOT near the Navy Yard, Monday through Friday. We are amenable to discussing adding a stop as long as it is mutually agreeable for everyone. We leave at 4:45 or 5:00 a.m. (depending on the day), getting into DC between 6:00 – 6:15 a.m.

In the afternoon, we start pick-ups at 4:00 pm, generally getting back to Front Royal between 5:30 -5:45 p.m.

Our van is a 12-passenger van, with 7 riders at this time. Because of telework schedules, the van usually only has 3 or 4 people in it, so there is plenty of room for additional riders.
