

BRING YOUR FACILITY A SMARTER WAY TO WORK

Commute with Enterprise benefits your business and your employees. We make it easy for your employees to save money and get to work on time. They arrive in a better state of mind, while you can rely on a consistent, punctual transportation solution.

How It Works

The program connects coworkers who live near each other and work the same shifts.

We provide a recent-model SUV or van and take 3-14 vehicles off your lot.*

We provide a Complete Clean Starter Kit with guidelines to help riders keep their vehicles clean.

You can monitor your success with real-time reporting and quarterly impact reports.

Benefits For Your Facility

✓ Reduction of Productivity Costs

When time costs money, we understand employees arriving on time is a top priority. Commute with Enterprise matches shift schedules, while reducing parking congestion from overlapping shifts. Plus, with the comfort of our recent-model vehicles, employees arrive well rested, recharged and ready to work.

✓ Payment Flexibility

Short-term commitment with month-to-month flexibility let's you adjust and rotate employees when there's turnover. We will partner with you to design a funding model that works best for your workforce. You can choose to partially or fully subsidize the program or to offer pretax payroll deduction.

✓ Liability Insurance Included

Commute with Enterprise works to support your business and employees, offering a reliable transportation method with 24/7 roadside assistance, maintenance and a \$1,000,000 liability insurance policy.
